

ENVIRONMENTAL REVIEW LEVEL 1
FOR
TURCOAIA PIT DEPARTMENT,
TURCOAIA VILLAGE, TULCEA COUNTY

GENERAL DATA

- **Settlement:**

Granite Quarry Turcoaia is located in Turcoaia Community, Tulcea county.

- **Activity profile:**

Excavation, processing and commercialisation of “Turcoaia – Iacobdeal” granite.

CONCLUSION

- Bordering the pit activity area in regard to the designated boundary;
- Strictly ban the presence of rock fragments outside of the excavation boundaries
- Place a ban on the opening of new excavating activities without previous environmental approval.

REFUSES STORAGE:

- Collection and separation of industrial waste (e.g. metallic, tires, rubber refuses from conveyer belts, etc), for delivery to specialised recycling companies;
- Prevention of soil contamination through mineral oil inside the company perimeter;
- Collection of used oil and recycling via specialised companies.
